

TABLE OF CONTENTS

Article 1. Scope	4
Article 2. Purposes of Adoption	5
Article 3. Technical Regulation Objects	5
Article 4. Terms and Definitions	5
Article 5. Regulations for Circulation on the Market.....	13
Article 6. Identification of Food Products (Processes) for the Purpose of Attributing Them to the Technical Regulation Objects of the Technical Regulation.....	13
Article 7. General Requirements to Safety of Food Products	14
Article 8. Safety Requirements to Specialized Food Products.....	16
Article 9. Safety Requirements to Tonic Beverages	19
Article 10. Provision of the Food Products Safety in the Process of Production (Manufacturing), Storage, Shipment (Transportation) and Realization.....	20
Article 11. The Requirements for Ensuring the Safety of Food Products in the Process of Production (Manufacturing).....	21
Article 12. The Requirements for Supplying Water to the Processes of Production (Manufacturing) of the Food Products.....	23
Article 13. The Safety Requirements for Food (Edible) Raw Materials Used in Production of the Food Products	24
Article 14. The Requirements for Organizing Production Facilities for Production (Manufacturing) of the Food Products.....	24
Article 15. The Requirements for the Use of Machinery, Equipment and Tools in the Process of Production (Manufacturing) of the Food Products.....	26
Article 16. The Requirements of Storage and Waste Removal Conditions for the Production (Manufacturing) of Food Products.....	27
Article 17. The Requirements for the Processes of Storage, Shipment (Transportation) and Realization of the Food Products	27
Article 18. The Requirements for Utilization of the Food Products	29
Article 19. The Requirements for Obtainment of the Non-processed Food Products of Animal Origin	30
Article 20. Ensuring the Conformity of the Food Products with Safety Requirements	32
Article 21. Forms of Assessment (Confirmation) of Conformity of Food Products and Processes of Production (Manufacturing), Storage, Shipment (Transportation), Realization and Utilization.....	32
Article 22. Applicant at Assessment (Confirmation) of Conformity of Food Products.....	33
Article 23. Declaration of Conformity	33
Article 24. State Registration of Specialized Food Products	37
Article 25. Procedure for State Registration of Specialized Food Products.....	38
Article 26. Unified Register of Specialized Food Products	40
Article 27. State Registration of New-Type Food Products.....	40
Article 28. Procedure for State Registration of New-Type Food Products	41
Article 29. Unified Register of New-Type Food Products.....	43
Article 30. Veterinary and Sanitary Expertise	43
Article 31. State Registration of Production Facilities.....	44
Article 32. Food Products Production Facilities Subject to State Registration.....	46
Article 33. Application for State Registration of Production Facilities.....	46
Article 34. Documents Confirming State Registration of Production Facilities	47
Article 35. Procedure for Notification of the Change of Actual Information about the Applicant and the Production Facility for the Production of Food Products Subject to State Registration	48
Article 36. Register of Production Facilities for the Production of Food Products Subject to State Registration	49
